For 61 years, the United Cerebral Palsy Association of Nassau County, Inc. (ucpn) has provided quality services and programs for residents of Nassau County with disabilities.

An independent, non-profit health care agency, the Association has grown from the dreams of a small group of parents who were seeking a better life for their children to its present status as one of the largest facilities of its kind in the nation.

A dedicated staff provides services to over 1,800 children and adults with a broad range of disabilities at the agency's campus in Roosevelt. In addition to a wide array of on-site therapies and programs, ucpn also provides residential housing and job placement.

We are approved by the Better Business Bureau for meeting the standards for Charitable Accountability. Ninety cents of every dollar donated goes directly to support our programs.
